Presentation
12 x 0,07 fl.oz vials

Applications
1 application per vial

- **Description**

An intensive regenerating treatment.

- **Effect**

For all skin types

- **Properties**

Formulated with pure vitamin C to restore the face's natural glowing radiance at the same time as protecting the cellular structures from the action of harmful agents such as free radicals.

- **Key components**

Ascorbic acid: Enriched with 15% pure vitamin C. Protects the cellular structures from the action of harmful agents such as free radicals.

Wild rose oil: Has a powerful regenerating and cellular healing power.

Soya oil: Nourishing, anti-oxidant and cellular strengthening agent, soya also offers moisturizing properties with a skin regulating effect.

- **How to use**

Apply one whole vial all over the face and decollatage with a gentle massaging action.

This treatment is compatible with the nourishing cream and the hydrating fluid from the Vitamin Forza C range.

NOT suitable for acneic skins.

- **Sales arguments**

- Brightens skin.
