

# Q&A

## RIDGEFX™

PRODUCT

### QUESTION

1. What is **RIDGEFX™** Nail Surface Enhancer?

### ANSWER

**RIDGEFX™** is a nail surface enhancer and ridge filler that perfects the appearance of the natural nail.

FORMULA

2. How does **RIDGEFX™** Nail Surface Enhancer work?

**OPTIFIL TECHNOLOGY™** with microspheres fills in ridges and surface indentations while a unique plasticizer delivers flexible, chip-resistant wear.

3. How does **RIDGEFX™** Nail Surface Enhancer prevent staining on the natural nail?

**RIDGEFX™** Nail Surface Enhancer contains neutral-colored pigments and acts as a barrier between the nail polish color and the natural nail.

POSITIONING

4. What specific type of nails is **RIDGEFX™** Nail Surface Enhancer designed to work best on?

**RIDGEFX™** is designed specifically for use on clients with surface imperfections such as ridges, discoloration and indentations.

PRICING

5. How many applications are there per bottle?

There are approximately 40 applications per 0.5 fl oz/15mL bottle.

FEATURES AND BENEFITS

6. What are the benefits of **RIDGEFX™** Nail Surface Enhancer?

**RIDGEFX™** Nail Surface Enhancer eliminates the need for buffing nails by masking the appearance of imperfections such as lines, ridges, bumps and grooves. Nails instantly look and feel smoother and natural nail color is visibly brightened.

# Q&A

## RIDGEFX™

PACKAGING

### QUESTION

7. Does **RIDGEFX™** Nail Surface Enhancer come in various sizes?

### ANSWER

**RIDGEFX™** Nail Surface Enhancer is available in sizes: 0.5 fl oz/15 mL and .125 fl oz/3.7 mL

USAGE

8. How do I use **RIDGEFX™** Nail Surface Enhancer?

Apply a thin layer of **RIDGEFX™** to clean, manicured nails. Apply two thin layers of nail polish and finish with one layer of top coat. For optimal results combine **RIDGEFX™** Nail Surface Enhancer with the **CREATIVE PLAY™** Nail Lacquer System or **VINYLUX™** Weekly Polish System. (For more information see our **RIDGEFX™** Nail Surface Enhancer Step-By-Step).

9. Can I use **RIDGEFX™** Nail Surface Enhancer with **CREATIVE PLAY™** Nail Lacquer?

Yes, **RIDGEFX™** Nail Surface Enhancer can be used with **CREATIVE PLAY™** Nail Lacquer. Skip the **CREATIVE PLAY™** Base Coat step and apply a thin layer of **RIDGEFX™** Nail Surface Enhancer and proceed with **CREATIVE PLAY™** Nail Lacquer Color and Top Coat. (For detailed information see the **CREATIVE PLAY™** Nail Lacquer Application & Removal Step-By-Step.)

10. Can I use **RIDGEFX™** Nail Surface Enhancer with the **VINYLUX™** Weekly Polish System?

Yes, **RIDGEFX™** Nail Surface Enhancer was designed to work synergistically with the **VINYLUX™** Weekly Polish System prior to color application. (For more information see **VINYLUX™** Weekly Polish System Application & Removal.)

11. Can **RIDGEFX™** Nail Surface Enhancer be used on toenails?

Yes, **RIDGEFX™** Nail Surface Enhancer can be used on toenails.

12. How do I remove **RIDGEFX™** Nail Surface Enhancer?

**RIDGEFX™** Nail Surface Enhancer can be easily removed with **SHELLAC™** Nourishing Remover, **OFFLY FAST™** Nourishing Remover or acetone.

13. Does **RIDGEFX™** Nail Surface Enhancer have any other uses?

Yes, **RIDGEFX™** Nail Surface Enhancer can be used on clients who have damaged or porous nails and can act as a barrier to prevent staining when using **VINYLUX™** Weekly Polish.
